Bringing Christ To Families and Families To Christ

Good morning and welcome to New Life Bible Church! We are glad you are here to worship with us today. If you are here for the first time today, we would like to welcome you. We have a wonderful church family and we want you to be a part of it. We ask that you fill out the first time attendee card in the chair in front of you and place it in the offering basket during our time of Tithes and Offerings. If you have any questions, please see a pastor or gatekeeper before you leave today

Children- If you have children 5th grade and down, we have a great Children's program called Kidzone. Here at New Life we worship together as a family then dismiss the kids to Kidzone before the morning message. Please register your child at our Kidzone Check in computer in the hallway.
